"I don't **want** another yearbook assignment!"

Accidents happen!

Who me? But I'm innocent!

If spiderman can do it, so can I!

I can't get away fast enough from chemistry!

I'm such a cutie!

To the class of 1983 — Destiny is no matter of chance, it is a matter of choice. It is not a thing to be waited for, it is a thing to be achieved. Compliments of **COLLECTOR'S WORLD & THE PILGRIM'S KITCHEN.**

Drummers play better!

Anyone for green M&M's?

Peek-a-Boo!

I could sing soprano in chorus!

Did you lay this?

You'd be asleep too, if you had the night I did!

Let me look into your future!
